辦學宗旨

Vision: Our school motto is: fidelity, respect, friendliness, diligence.
We aim to contribute to the wholesome personal and moral growth of our students.

Mission: Our mission is to help each child reach his/her personal potential in the areas of moral conduct, knowledge, interpersonal relationships, health and physical development and art appreciation.

學校類別

School type

政府資助全日制小學，星期一至四上課時間為上午8:15-下午3:30，星期五上課時間為上午8:15-下午2:20。以活動教學為目的，增加學習趣味。

Our school is an aided whole day school. School days are from Monday to Friday. School starts at 8:15 a.m. and ends at 3:30 p.m., except on Friday (it ends at 2:20 p.m. on that day.). We organize lots of activities into teaching plans for each subject helping students benefit from knowledge.
**Curriculum integration**

Our school organized a curriculum integration week which provided a wide range of relevant and realistic learning experiences for our students including a school outing, cooking and more. There were different topics for each grade and they formed the basis of independent learning with students doing research, an analysis of the research and a summary.

**Extra-curricular Activities**

A variety of sports and art activities are provided. Students can learn through different extra-curriculum activities, like drama, oriental dance, ball games, etc. The school has had outstanding achievements in various inter-school competitions, especially in oriental dance and drama performance.

**Life-wide learning**

The curriculum and learning activities are planned to accommodate diversity in learning styles. Students are provided with an excellent and supportive learning environment to help them develop in all areas: Ethics, intellect, physical and social skills.

Primary 6 students have the opportunity to participate in the school camp once a year. Study trips outside Hong Kong are organized for primary 4-6 students.

**Swimming lessons**

Swimming lessons are provided for all Primary 4-6 students.

**Swimming lessons**

Swimming lessons are provided for all Primary 4-6 students.
升中佳績
Secondary school place allocation

In the school year of 2013-2014, 93.2% of our primary 6 students were allocated to one of their top three favourite secondary schools. 98.3% of them were allocated to one of their top five favourite secondary schools. 40% of them were allocated to English as the medium of instruction schools. Our graduates gained excellent grades in their schools.

中文科
Chinese

Our teachers will raise questions during the lessons with emphasis on the language focus of each chapter in order to enhance students' abilities in learning Chinese. Also, there is a '4 steps writing guide' for our students to help improve their writing skills. They will use diagrams for mapping out their thoughts, reviewing and modifying their first drafts and then publishing their work. They will read and comment on other classmates' work so they can know more about how to avoid common errors and how to write a good sentence.

電子學習
E-learning

2014年，本校參與電子學習學校支援計劃，獲教育局頒為全港首一百間推行電子學習計劃的學校之一。現時，計劃已於四、五年級實施。學生在電子教室中運用科技促進個人和小組學習，提高學習趣味。教師利用科技改善教學效能，照顧不同學生的學習需要。

英語科
English

The 2014-2015 school year is the eighth year that our school has participated in the Primary Literacy Programme: Reading and Writing (PLP-R/W) with the P.1-3 classes. The follow-on from PLP-R/W is the KIP programme (Key stage 2 Integration Programme) and this is operating in P.4-6. The teachers have all been very pleased with the results of these programmes and the opportunities they give students to learn English in a fun, interactive manner.
School Facilities

Our school is located close to Tai Wo MTR station and it is a 24-classroom standard building. We are equipped with substantial facilities including air-conditioned classrooms, an assembly hall, an all-weather playground, an English room, an Art room and a Dance room etc. The computer room and the music room are renovated and a multimedia learning room is now opened to the students. Also, the library will be expanded and renovated soon in order to provide a better environment for students to read and cultivate a love of reading.

In addition, our school was selected to join the ‘Support Scheme for e-Learning in Schools’ of the Education Bureau. A WiFi infrastructure has already been built up and it will cover all the classrooms in order to facilitate a whole-school adoption of e-textbooks and e-learning resources and hence e-learning.

Service Provided

Student Health Service, School Dental Care Service, School Textbook Assistance Scheme, Student Travel Subsidy Scheme, School Private Light Bus, lunch, a pre-school summer holiday tuition for P1 newcomers, an English tuition for newly-arrived children and an after school tuition for every student / non-Chinese speaking students.
